This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of RSL COM U.S.A., Inc. (RSL), parent company of LDM Systems, Inc. (LDM), for permission to withdraw its Application in this Docket.

On or about January 12, 2001, RSL filed an Application with this Commission, wherein RSL requested withdrawal of LDM's Certificate of Public Convenience and Necessity to provide resold intrastate interexchange (IXC) services in South Carolina, and also assignment of LDM's authorization to provide competitive local exchange carrier (CLEC) services from LDM to RSL USA.

RSL now states that LDM has been dissolved as a corporation and its assets have been merged into RSL. Furthermore, RSL filed a voluntary petition for reorganization pursuant to Chapter 11 of the U.S. Bankruptcy Code. Accordingly, RSL requests permission to withdraw its Application in this Docket.

We have examined this matter, and have determined that the requested relief should be granted, and the Application shall hereby be considered withdrawn.
